

Acknowledgement

We would like to express our sincere gratitude to **Dr. Marwa Mostafa Abd El Hamid** for her continuous guidance, support, and valuable feedback throughout the course. Her help was not limited to the Hotel Reservation Management System project only, but extended throughout the entire semester in the subject, which greatly contributed to our understanding and academic improvement.

We would also like to extend our deepest appreciation to **Prof. Lamiaa Elrefaei**, the Dean of the Faculty Of Computer And Information Technology , Innovation University, for her constant efforts in supporting the academic environment and providing students with opportunities to gain practical experience through meaningful projects.

Finally, we are truly grateful for all the support, encouragement, and guidance we received throughout the semester and during the development of this project.
